UNITED STATES GOVERNMENT

Memorandum

TO : Mr. Kent

DATE: 24 Feb

FROM : Mr. Smith

SUBJECT:

See attached cable.

25X1 [] came in this morning, apparently thinking that the fruits
of this operation did not justify continuing it; certainly did not justify
25X1 sending another man out from here. [] Carver, and I discussed the
matter with him briefly. [] and Carver consider this cable an extremely
valuable contribution to knowledge. We hope that the operation would
continue, at least during the time when Washington is agitated about
the situation in South Vietnam. But we made no strong recommendation
about sending another man out from Headquarters.

25X1 Suggest you call [] and give him a word of commendation
for this. If you feel like it.
